

Endocrinologist Tries Inefficient EHR Before Switching to Amazing Charts

Amazing Charts technical support makes transition seamless for Dr. Datta

Challenge: Losing productivity with an EHR from a local vendor

Cumbersome	▶	<i>"There were too many options and clicks to complete tasks."</i>
Inefficient	▶	<i>"I had to toggle back and forth between the scheduling software and EHR to schedule patients."</i>
Missing key features	▶	<i>"The EHR did not offer e-faxing, an interface with labs, or messaging."</i>

Solution: Amazing Charts EHR

Responsive customer service	▶	<i>"As a provider, I felt comfortable switching from our former EHR to Amazing Charts. They were very responsive to any issues we had during our transition."</i>
Easy to learn	▶	<i>"Amazing Charts was easy to learn, so we could quickly adapt to its better workflow."</i>
Reliable support	▶	<i>"The support staff at Amazing Charts is very helpful and patient. They took the time to answer our questions and train my staff with different technical backgrounds."</i>
Efficient	▶	<i>"With Amazing Charts we're at maximum efficiency and everything we need is in one system!"</i>

Results

- ✓ Dr. Datta and his staff have an improved workflow, allowing them to see more patients
- ✓ Amazing Charts runs on nine computers from a single server
- ✓ Practice is now fully supported by Amazing Charts, a market-leading EHR for small practices
