

Expect Amazing Results

## - Key Benefits -

Physician practices can improve billing processes to achieve effective revenue cycle management and increase reimbursement with:

- > Improved first-time payment rates
- > Reduced days in A/R
- > Faster charge entry turnaround
- > Payment posting
- > Reduced cycle times
- > Resolution of denials

*We are thankful to have a team who cares, whose informative with a like purpose in mind and that is to ensure everyone is reimbursed for services provided.*

LaToya Cossey  
Doctors for Women, PLLC

Choosing the right Revenue Cycle Management (RCM) partner has never been more important as you transition from Fee-for-Service to Value-based payment structure. You need a partner who knows how your practice works and which procedure codes can net you the optimal reimbursements. Our commitment - to improve your cash flow so you can stay focused on what's most important - your patients.

With our clinically-driven approach, the rules based engine can, over time, uncover proven means for improving clinical and financial outcomes. With more informed decision-making at the point of care, physicians can improve clinical outcomes overall health management, as well as identify opportunities to optimize revenue streams. Extending the technology to include strategic alerts, the system can advise when a requested procedure or test will not be reimbursed by a payor, as well as flagging duplicate care.

## Clinically-Driven Revenue Cycle Management

-  Up to 97% pay-at-first pass rates
-  Optimizing revenue streams directly at the point of care
-  Streamlining the collection process
-  Optimizing and speeding up reimbursement
-  Minimizing denials
-  Patient outstanding balance message notifications\*
-  Multiple patient pay options like portal and Apple Pay\*

\*Payment Notification and Payment Connect sold separately
