- Key Benefits -

We are continually investing in ACPM to help you be as efficient as possible in providing best-in-class care to your patients.

ACPM will prepare your office with the following tools:

>>Create customizable electronic billing capture forms with code groups embedded to assist providers with coding.

>>Intelligent technology provides interactive role-based dashboards that automatically prioritizes work lists for all areas of your office.

Empower Your Patients -

Communication with your patients is important. ACPM appointment outreach maximizes efficiency by enabling patients:

>>Pay outstanding balances directly with Quick Pay.

>>Confirm or cancel their appointment via phone, email or text without tying up your office staff or phone lines.*

*optional (fees incurred)

Designed for independent practices, ACPM enables you to achieve greater efficiency by streamlining daily operations.

Time: We help you transition from your old system and offer training to speed up the implementation process

Simplicity: Cloud-only solution that connects via web browsers on any computer, available anywhere, anytime

Value: Multiple feature-rich upgrades and always current content included with low subscription pricing and minimal commitment

Productivity through Simplicity

- Electronic claims submissions to more than 1,000 national insurance plans
- Claim status technology that automatically checks claims status for up to 20 percent improvement in reimbursements
- An online code lookup software embedded directly within the claims screen that ensures coding accuracy
- Dashboards that communicate complex information quickly by translating information into visually rich presentations
- Web-based technology that does not require additional IT, software, hardware, or complex networks
- With the ability to easily view unpaid claims, ensures that they are worked promptly, and issues are resolved before they can become problems
