

FIVE REASONS WHY YOU SHOULD SWITCH TO **amazingcharts** Electronic Health Records

1

AC EHR was designed by a doctor for doctors

Amazing Charts EHR was founded in 2001 by a Rhode Island doctor who was familiar with the daily challenges of clinicians.

AC EHR is consistently rated #1 for ease-of-use

Designed to mimic a paper chart, Amazing Charts EHR is an efficient, effective and essential tool for your practice's success.

2

3

AC EHR is affordable for small and growing practices.

Since day one, we're focused on delivering a cost-effective solution made to help you.

AC EHR can be tailored to your practice's unique needs.

No matter your specialty or specific information you'd like to capture, we're able to customize our solution to meet the expectations of your practice.

4

5

AC EHR helps to improve your work-life balance.

Spend less time charting, treat more patients throughout the and get home in time for dinner - that's the flexibility Amazing Charts EHR offers.
